

Cleo EEI Report Generation

Step-by-step Guide to Generating Partner, Map,
& Transaction Counts

01

From the **main menu** take **option 9** for reports

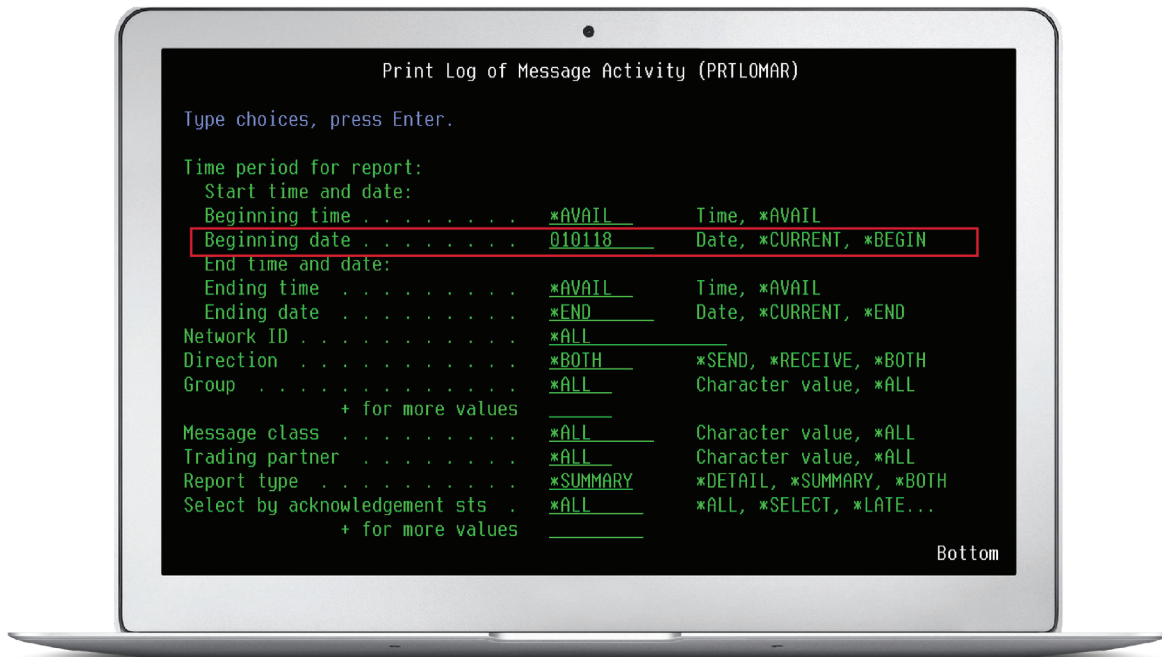

02

From the **reports menu** take **option 15** for Print log of message

03

Fill in the **Beginning date parameter** (MMDDYY) with the date you want to start with. I usually capture a years' worth of data.

04

Hit **enter** and this submits a job. When the job is done do a **wrksplf**

05

5 And the file name will be **LLMPF5R\$**

Recognized G2 Leader

About Cleo Integration Cloud

Cleo Integration Cloud (CIC) is an AI-powered platform purpose-built to design, build, operate, and optimize supply chain processes. CIC unifies API, MFT, EDI, non-EDI integrations, and managed services, providing end-to-end visibility and control over revenue-critical business flows.
